Product or Device		Ordering no.	HCPCS	HCPS Description
<b>Balloon Dilation</b>				
XprESS ENT dilation system	XprESS LoProfile system	LPLF-106	C1726	Catheter, balloon dilation, non-vascular
	XprESS LoProfile system	LPLF-107	C1726	
	XprESS LoProfile system	LPLF-205	C1726	
	XprESS LoProfile system	LPLF-206	C1726	
	XprESS Ultra system	ULF-106	C1726	
	XprESS Ultra system	ULF-206	C1726	
Audion ET dilation system	Audion ET dilation system	AET-100	C1726	Catheter, balloon dilation, non-vascular
<b>Bioresorbables</b>				
NasoPore bioresorbable nasal dressings	NasoPore dressing	5400-010-004	C1889	Implantable/insertable device, not otherwise classified
	NasoPore dressing	5400-010-008	C1889	
	NasoPore dressing	5400-020-004	C1889	
	NasoPore dressing	5400-020-008	C1889	
	NasoPore FD dressing	5400-020-108	C1889	
	NasoPore dressing	5400-030-004	C1889	
	NasoPore dressing	5400-030-008	C1889	
	NasoPore dressing	5400-212-004S	C1889	
	NasoPore dressing	5400-222-004S	C1889	
HemoPore nasal dressing	HemoPore dressing	5400-020-208	C1889	Implantable/insertable device, not otherwise classified
	HemoPore dressing	5400-020-208S	C1889	
XeroGel nasal/epistaxis pack	XeroGel pack	XG-102	C1889	Implantable/insertable device, not otherwise classified
	XeroGel pack	XG-108	C1889	
OtoPore bioresorbable ear dressing	OtoPore dressing	5400-010-000	C1889	Implantable/insertable device, not otherwise classified
	OtoPore dressing	5400-020-000	C1889	
	OtoPore dressing	5400-020-100	C1889	

Cryotherapy				
ClariFix cryotherapy device	ClariFix system	CFX-2000	C2618	Probe/needle, cyroablation
Nasal implants				
LATERA absorbable nasal implant system	LATERA implant system	LATSYS20	C1889	Implantable/insertable device for a device intensive procedure, not other classified
	LATERA implant system	LATSYS24	C1889	
	Alar retractor	AR-210	C1889	
Navigation				
ENT navigation system	Electromagnetic navigation unit	8000-010-003	NA	General medical surgical supplies
	Scopis ENT software	8000-021-001	NA

The information presented is for illustrative purposes only and is not intended to provide coverage, coding, payment, treatment, or legal advice. It is not intended to guarantee, increase or maximize reimbursement by any payor. Laws, regulations and policies concerning reimbursement are complex, subject to change and updated regularly. Codes should be selected based upon the diagnosis and treatment of individual patients. Stryker ENT does not warrant, promise, guarantee, or make any statement that the codes supplied in this guide are appropriate for any individual patient or that the use of this information will result in coverage or payment for treatment using the Stryker products or that any payment received will cover providers' costs. Stryker ENT is not responsible for any action providers take in billing or appealing claims. Hospitals, physicians and other providers are responsible for compliance with Medicare and other payor rules and requirements and for the information submitted with all claims and appeals. Before any claims or appeals are submitted, hospitals, physicians and other providers should review applicable payor instructions and requirements, confirm the accuracy of their coding or billing practices with their reimbursement advisors and applicable payors, and use independent judgment to select codes that most appropriately describe the services furnished to a patient. It is the provider's responsibility to determine and document that the services provided are medically necessary and that the site of service is appropriate.
