20-21 April 2024

SPORTS MEDICINE: A MODERN UPDATE

Moderators: Dr. Kevin FOK, Dr. Brian LEUNG

11:30-11:33	Introduction	Dr. Kevin FOK
11:33-11:43	Platelet rich plasma therapy in sports medicine	Dr. Wilson LI
11:43-11:53	Impact of new generation ultrasound in sports medicine	Dr. Peter SIU
11:53-12:03	Contemporary physiotherapy in ACLR Rehabilitation: From prehabilitation to return to Sports	Ms. Chris CHAN
12:03-12:30	Q&A	
12:30-14:00	Lunch Symposium / Lunch Break	

AO RECON SEMINAR – CONVERSION TOTAL HIP REPLACEMENT AFTER FAILED FRACTURE FIXATION

Moderators: Prof. Lawrence LAU, Dr. Steve CHEUNG

14:00-14:10	Avoiding burning the bridge for total hip arthroplasty in hip fracture fixation	Prof. Christian FANG
14:10-14:25	Preoperative workup and planning for conversion total hip arthroplasty: What is necessary?	Prof. William JIRANEK
14:25- 14:35	Dual mobility: Is it always necessary for conversion total hip arthroplasty	Prof. Lewis CHAN
14:35- 14:45	Choice of femoral component in conversion THA	Prof. Gwo Chin LEE
14:45- 14:55	Dealing with the trochanteric fragment	Dr. Darren TAY
14:55-15:00	Q&A	
15:00-15:15	Conversion total hip arthroplasty with prior dynamic hip screw or fixed angled devices	Dr. Darren TAY
15:15-15:25	Prior femoral neck pinning conversion to total hip arthroplasty	Dr Tsz Lung CHOI
15:25-15:40	Conversion THA after cephalomedullary devices	Prof. Gwo Chin LEE
15:40-15:50	Prior hemiarthroplasty conversion to total hip arthroplasty	Prof. Henry FU
15:50-16:00	Q&A	

LUNCH SYMPOSIUM – 21 APRIL 2024

Sponsored by Globus Medical

Time: 12:30-13:30

Duration: 1-hour

Venue: Seminar Room 1-3, Lab Block (180 seats available on a first-come-first-served basis)

Topic: Rise, Mod XL, Reline, Creo

Title: Utilization of Advanced Technology and Procedures

- End of Day 2 -
