

Tornier Perform[®]

Humeral System – Stemless

Value dossier

Our relentless pursuit of shoulder arthroplasty innovation continues. For patients with good bone quality, Tornier Perform Humeral Stemless is engineered to perform, allowing for more efficiency of your workflow at every step. Designed with precision, efficiency, and integration in mind. Tornier Perform Humeral Stemless also offers centered and offset head options to better recreate patient anatomy.

This is innovation to a T.

**Tornier Perform
Humeral System**

**Market-leading
stem technology**

Up to a **75% reduction** in instrument trays when compared to market-leading technology¹ for shoulder arthroplasty procedures.

1. Data on file. Tornier Perform Humeral System compared to Aequalis Ascend Flex and Tornier Simpliciti Shoulder System
2. Product sizes of Aequalis Reversed II.

Precision

Able to go beyond “close enough”

Market-leading options of inlay collar sizes to properly size from your smallest to largest patients and maximize contact with higher density peripheral bone.

This document is intended solely for the use of healthcare professionals. A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Stryker does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery.

The information presented is intended to demonstrate a Stryker product. A surgeon must always refer to the package insert, product label and/or instructions for use, including the instructions for cleaning and sterilization (if applicable), before using any Stryker product. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your Stryker representative if you have questions about the availability of Stryker products in your area.

Stryker Corporation or its divisions or other corporate affiliated entities own, use or have applied for the following trademarks or service marks: Aequalis, Ascend, Blueprint, Perform, Stryker, Tornier. All other trademarks are trademarks of their respective owners or holders.
